

Enjoy the convenience and time-saving benefits of

Extra Handling

Extra Handling: Inside Delivery*

Delivers items across the threshold.

- Protect items from bad weather, theft, or damage
- Finish the job faster with equipment placed closer to the work area
- Allows items to acclimatize, supporting earlier installation

Extra Handling: Room of Choice**

Includes Inside Delivery with the following added benefits:

- Safer than moving delivered items by yourself
- Reduce damage caused by post-delivery handling

Extra Handling: Paperwork

- Obtain and track signatures with photo proof or have signed paperwork returned

services today!

[Start a Delivery](#)

*The driver will drop off materials inside the recipient's building, but it cannot require the use of inside stairs. An elevator is allowed with coordination ahead of time and may incur additional fees. Pets or obstructions must be removed before delivery for a timely and safe drop-off.

**Use of an elevator or 1 stairwell is allowed with coordination ahead of time and may incur additional fees. Pets or obstructions must be removed before delivery for a timely and safe drop-off. The customer must provide the designated room in the order's drop-off notes. For Multi-Stop orders, each drop should be clearly indicated.
