Vehicle Sizes

CAR

Two or Four-Door Sedan

Holds paint, small parts and signage, tools, and office documents. Customers also use this option when moving carpet, tile, or cabinet samples.

MID SIZED

SUV, Crossover, or Minivan

Holds the same items as a car but in larger quantities. May transport items like five-gallon buckets of paint, boxes of tile, or larger signage.

PICKUP TRUCK

Open or Enclosed Truck Bed

Great for moving taller or longer items like appliances, tiles, and lumber. We require drivers to have truck beds with a minimum length of 78 in.

CARGO VAN

Classified Cargo Van

For customers looking to transport 5x10 signage, tables, lighting, machinery, or drywall. We require that every cargo van on our platform can fit at least a 4x8 pallet.

BOX TRUCK

For customers moving palletized freight, bulky equipment, or multiple items. Some offer liftgate assistance to load heavy cargo. The minimum length is 10ft.

Optional Add-Ons

Vehicle Features

Dedicated Vehicle

Know your items will fit by reserving the entire vehicle

Equipment

Liftgate

Easier to load/unload heavy items from the vehicle.

Dolly

Helps one person easily move heavy items.

Pallet Jack

Allows for easy movement of heavy pallets.

Roof Rack

Increases vehicle storage by allowing long items to be carried on the roof.

Ladder Rack

Makes it safer to load/unload ladders and frees space inside the vehicle.

Pipe Rack

Helps transport long material like pipe, tubing and bar stock.

Ramp

Allows heavy items to be easily loaded into the vehicle or cover short flights of stairs, eliminating the need to lift items.

Driver Skills

Extra Handling: Inside Delivery

Have items placed just inside the door.

Extra Handling: Room of Choice

Have items placed exactly where you need them.

Extra Handling: Paperwork

Obtain and track signatures with photos or have the signed paperwork returned by listing your office as the final stop on a multi-stop order.

Construction Site PPE

Equipment worn to prevent serious workplace injuries. Includes items like: Hard hat, vest, and closed-toed shoes.

Pallet and Packaging Disposal

The Dispatch Driver will remove pallets or packaging material, directly related to the delivery, from the drop-off site.
